GitHub: https://github.com/ritikayadav08 Mobile: +91-9588109292

Skills

- **Languages**: C++, JavaScript, C, PHP, Java, DSA
- **Frameworks**: HTML and CSS, Node.js, React
- **Tools/Platforms**: MySQL, MongoDB
- **Soft Skills**: Problem-resolution, Team management, Coordination, Abstract thinking, Adaptability

Projects

Smart Parking System || Github June 2025 - July 2025

- Developed a smart parking system automating parking slot detection and availability updates, reducing manual intervention by approximately 60%
- Executed Data Structure and Algorithms for efficient slot allocation, searching and tracking, improving system performance and slot retrieval speed by ~45%
- Built a secure PHP MySQL backend to manage real-time parking data for 100+ slots, with a responsive front-end using HTML, CSS, JavaScript, and Tailwind

Tech: HTML, CSS, JS, MySQL, Tailwind, DSA logic

Clinic Management System || GitHub March 2025 - May 2025

- Created a Clinic Management System using advanced frontend frameworks to deliver a seamless and intuitive user experience, managing 500+ patient records with secure data storage and access
- Implemented API-based integration between the platform and database, improving data flow efficiency and reducing record access time by ~40%
- Built core modules for patient records, appointment scheduling, and user authentication, ensuring 100% validated inputs and secure access control.

Tech: HTML, CSS, JavaScript, MySQL, PHP

Training

Summer Training: Mastering in DSA || Certificate June 2025 - July 2025

- Completed 45+ days of intensive training covering arrays, linked lists, stacks, queues, trees, graphs, recursion, and hashing
- Solved 150+ coding problems, optimizing solutions to improve efficiency by ~35%.
- Gained hands-on experience in algorithm design, complexity analysis, and problem optimization.

Certificates

- Basics of Generative AI || **LinkedIn** October 2025
- Certificate on Language Principal and Finite Automate Theory || **Infosys** September 2025
- ChatGPT-4 Prompt engineering: chatgpt, Generative AI and LLM || **Infosys** August 2025
- Generative AI Apps and Solution || **Infosys** August 2025

Achievements

Secured Good Rank in NPTEL exam: || **NPTEL** November 2025
Earned an elite certificate on completing the Privacy and Security in Social Media course

Awarded a Certificate of Achievement for Active participation in a Hack-a-thon December 2024

Education

Lovely Professional University Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering; ***CGPA: 7.0*** *Since August 2023*

Macvision Aviraj world school Dharuhera, Rewari
Intermediate; ***Percentage: 84*** *April 2020 - March 2022*

BMN Sr. Sec. School Jonawas, Rewari
Matriculation; ***Percentage: 98*** *April 2019 - March 2020*
